

# LOOKING FOR YOUR DREAM JOB?

## *Project technician with focus on building technology*

We value your skills and will provide you with the opportunity to develop them. Whether you are an experienced programmer or dropped out of school, we have the right job for you. Quick entry into an attractive and innovative work environment and a variety of tasks and responsibilities in a good team are guaranteed.

**Minimum annual gross salary according to the metal industry collective agreement: € 32,200**

A higher salary is possible depending on your qualifications and prior experience.

**Place of employment:** Graz (A)

### **Your responsibilities:**

- Projecting of MSR systems in the area of building technology
- Commission plants in Austria and abroad
- Competent contact person for customers and suppliers
- Drawing up schematics and perform technical calculations

### **Your qualifications and skills:**

- HTL or FH diploma (in electrical engineering, building services or mechatronics)
- Knowledge of MSR and HKLS
- Professional experience in the field
- Flexibility and ability to work in a team
- Willingness to travel

We look forward to receiving your application for one of our job openings at:
